

Growing Generosity from Generation to Generation

Last year's the "Men in the kitchen" meatball dinner raised over \$1200 for charity!

STRENGTHENING COMMUNITY RELATIONSHIPS

*"This is so the next generation and children not yet born will know these things,
and so they can rise up and tell their children to put their hope in God"*
Psalm 78:6-7a

The mission of French Creek Lutheran Church is to welcome everyone to worship God; to hear and to live the good news of Jesus Christ, and to spread it from generation to generation. These words serve as an inspiration for growth and improvement, helping to propel the good work done by the French Creek community for years to come.

In 2020, one of the goals of French Creek is to deepen community relationships which is how we welcome everyone to worship God. French Creek council has identified a number of ministry opportunities in this area:

- Increase collaboration in worship planning
- Invite members to share their gifts of music, spoken

word, visual arts and more in worship

- Celebrate community-building and outreach events

Please pray about the congregation's mission and ministry. Pray about your response to the letter from the Stewardship team. Please be prepared to return your statement of intent in worship on November 17th or mail it directly to the church office.

As French Creek Lutheran Church works together to share the gospel from generation to generation, its people build upon the strong foundation of generosity laid by its forebears.

Thank you for being part of the ministry at French Creek.

I'll never forget the day Steve came over and handed me an instrument case.

"I hear you play French Horn; why don't you join the brass for Easter?"

That invitation was a moment that changed my spiritual life; like I was being adopted into the congregation.
