## SUPPORTING YOUTH MINISTRY

*"This is so the next generation and children not yet born will know these things,  
and so they can rise up and tell their children to put their hope in God"*  
Psalm 78:6-7a

The mission of French Creek Lutheran Church is to welcome everyone to worship God; to hear and to live the good news of Jesus Christ, and to spread it from generation to generation. These words serve as an inspiration for growth and improvement, helping to propel the good work done by the French Creek community for years to come.

In 2020, one of the goals of French Creek is to support children, youth and families in building their relationship with Jesus which is how we spread the good news of Jesus Christ from generation to generation. French Creek council has identified a number of ministry opportunities in this area:

- Clarify and strengthen the communication within and about educational opportunities for all ages

*"Signing up to teach Sunday School has made me more connected with church than I ever expected. And now church shows up at home too. We talk about God's love and share our highs and lows together." – Lorna, Henry and Simon*

- Involve office staff in the coordination of teachers, other volunteers and participants
- Establish a multi-year plan for camp and mission experience participation among French Creek youth

Please pray about the congregation's mission and ministry. Pray about your response to the letter from the Stewardship team. Please be prepared to return your statement of intent in worship on November 17th or mail it directly to the church office.

As French Creek Lutheran Church works together to share the gospel from generation to generation, its people build upon the strong foundation of generosity laid by its forebearers.

Thank you for being part of the ministry at French Creek.
