

French Creek Lutheran Church
Time and Ability – What is your ministry at French Creek?

In pandemic, we put a pause on many of our ministries. Some are now resuming, while others will be gratefully retired. How we work together as a community going forward post-pandemic depends on how the Spirit calls us individually and collectively to serve. Please take some times to look through this list of ways to minister at French Creek in 2021, pray about them, and check those places where God is leading you to serve.

Please return forms to the church office, or bring to worship on April 18 2021
